

Brand New Program Opening!

Lowell House Addiction Treatment and Recovery is opening a new **16 bed dual diagnosis** (substance use disorder/mental illness) program for men in Lawrence. Come join our team and have a positive impact on this opioid crisis affecting all our communities!

Now hiring:

8 Recovery Specialists: Responsible for working with other team members to support the day to day operations of the program, as well as the overall safety of the clients and the program environment during their assigned shift. High school diploma/GED minimum requirement, knowledge of and experience in recovery work, strong written and verbal communication skills. All shifts available.

2 Half time Registered Nurses: Responsible for the oversight of medication management and administration within the residential setting, as well as the provision and supervision of any first aid provided within the facility, collaborate with PCPs, psychiatrists, program staff. 2+ years' experience, preferably with a substance use disorder population, Bachelor's degree in nursing required, valid nursing license.

Interested candidates should send cover letter and resume to Diana Newell at dnewell@lowellhouseinc.org
